SMART Board  
(not available in all TECs)

If you are teaching in any of these classrooms, check our website at

<http://itc.utk.edu/resources/smartclassrooms>

to find the schedule and registration information for these Technology Enhanced Classroom training sessions.

## CMS 110: Introduction to Online@UT

Online@UT is the campus-wide course management system at UT Knoxville.

In this introduction to Online@UT, participants will access an online demo course site, receive an overview of instructor development tools and resources, and create an online syllabus.

This workshop is required for instructors to obtain full access to Online@UT course sites.

CMS 110 workshops will be held in 2412, 4th floor Dunford Hall.

Call 974-9670 for more information, or register online at

<http://itc.utk.edu/workshops/register>
